No 23

Dated Bangalore 20 August 1904.

Subject.

Obstruction offered to the Amildar by the Barr Sepoys at Hassan.

I submit herewith the correspondence that has passed on the above subject.

In this matter my opinion is asked.

I think the Amildar was quite wrong to persist in going when he knew that the Mahommedans were objecting on account of ghosha.

But I think that the Sepoys should be warned that if any Govt Official wishes to pass through the Lines mounted they should ask him to wait for a few minutes while they shout to enable the Mahomedan women to veil themselves and should warn ladies living in Govt Lines that they must be prepared for such events.

Govt Officials should be warned to take some such precautions when nearing Military Lines.

It was I know a very common habit among British Officers of Cavalry Regiments to dismount when passing through the Family Lines and you will note that ~~we~~ in the Imperial Service Cavalry Lines I took the precaution of putting the

* As shown by Col Jones both are at fault and both ought to be reprimanded.

the houses to one side so that no one rides near them.

As in this case there were faults on both sides I should be inclined to punish both the Jemadar and the Amildar.

There must have been quite enough noise to give the ladies ample notice to veil so that the Jemadar's forcibly stopping a Civil Officer whom he recognised seems to have been an unnecessary and rude act.

The Amildar's in-riding rough-shod over the prejudices of Mahom-medan feeling was equally wrong.

Correspondence ending with letter No.743 dated the 31st August 1904, from the Military Assistant to the Government of Mysore, on the subject of obstruction offered to the Amildar of the Hassan Taluk, by the Barr Sepoys at that Station

Order thereon No. G 1532-4 / G.M 49403 Dated Bangalore, 17th September 1904.

On a careful consideration of the circumstances of the case, the Government are of opinion that both the Amildar and the Barr Sepoys are at fault and ought to be reprimanded.

2. The Amildar was wrong in having persisted in wanting to go along the road in front of the Barr lines when that was objected to on account of ghosha.

3 The Jamedar and the Sepoys referred to should be warned that if any Government official wishes to pass through the lines mounted, they should ask him to wait for a few minutes to admit of the ghosha persons taking necessary precautions to veil themselves or to keep indoors.

4 The suggestion of the Deputy Commissioner to substitute the word "Hukum" for "Yadi" in communications to Military officers is opposed to Government Order No.5414/M.37 dated the 4th November 1880 and it cannot be sanctioned.
